

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Avoid breathing spray mist. Wear chemical-resistant gloves when mixing or handling concentrate. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

### ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

#### FIRST AID

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger, or if available by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting.

**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**IF INHALED:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

### CONDITIONS OF SALE AND WARRANTY

Creative Marketing & Research, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Creative Marketing & Research, Inc. neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability.

The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of Creative Marketing & Research, Inc. and Seller. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall Creative Marketing & Research, Inc. or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Creative Marketing & Research, Inc. and is accepted as such by the Buyer.

# NO FOAM A

## SPREADER • ACTIVATOR

### NONIONIC SURFACTANT FOR TERRESTRIAL / AQUATIC USE SITES

#### PRINCIPAL FUNCTIONING AGENTS:

Alkyl phenol ethoxylate, Isopropanol  
and Fatty acids ..... 90%  
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT: 10%  
TOTAL: ..... 100%

CA Reg. No. 1050775-50015-AA

### KEEP OUT OF REACH OF CHILDREN CAUTION

See side panel for additional Precautionary Statements

**NET CONTENTS: 5 GALLONS / 18.9 LITERS**

CREATIVE MARKETING & RESEARCH, INC.  
P.O. Box 35000 • Fresno, CA 93745-5000  
(559) 499-2100

## DIRECTIONS FOR USE

NO FOAM A is used to give optimum wetting and spreading of agricultural insecticides, miticides, fungicides, herbicides and growth regulating hormones.

NO FOAM A is formulated from materials which do not tend to burn foliage or leave harmful residues. Use of correct quantity for smooth wetting reduces the possibility of spot injury from large pesticide droplets.

Proper quantity to use will vary with the type of equipment, water volume per acre, temperature, type of foliage to be wet, and the pesticide formulation. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

**GROUND SPRAYERS:** Use 2 to 8 fl. oz. per 100 gallons of water.

**CONCENTRATE AIR BLOWER SPRAYERS OR AIRCRAFT:** Use 6 to 12 fl. oz. per 100 gallons of water, except where drift hazard is critical.

**FOR USE WITH AQUATIC HERBICIDES:** Use 1-2 qts. per 100 gallons of finished spray solution. Consult the pesticide label for proper rates and volumes.

## STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED  
BY STORAGE OR DISPOSAL.

**STORAGE:** Store in original container away from children, animals, foods, feeds and seeds. Handle in accordance with Precautionary Statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent material. Scrape up and dispose in accordance with Product Disposal.

**PRODUCT DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a sanitary landfill.
