DIRECTIONS FOR USE

**It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
This labeling must be in the possession of the user at the time of pesticide application.**

NON-SELECTIVE WEED CONTROL ON NON-CROP LAND

Best results are obtained when this product is applied before weeds emerge. If weed growth has begun and removal is not feasible, include a contact or translocated herbicide in the spray.

This product can be used to provide residual control or suppression of certain weeds on industrial sites, highway medians and shoulders, railroad rights-of-way, lumber yards, petroleum tank farms and in non-crop areas on farms, such as around buildings, equipment and fuel storage areas, along fences, roadsides and lanes. Aerial applications may be made where it is feasible.

Use at least 1 gallon of water for each 0.9 pound of this product for both ground and aerial applications. Use more water if practical. To control or suppress susceptible annual Broadleaf and Grass weeds (such as Barnyardgrass, Cheat, Common lambsquarters, Crabgrass, Foxtail, Puncturevine, Ragweed and Turkey mullein), apply up to 5.3 pounds per acre. To broaden weed control spectrum, or in areas where triazine-resistant weeds are present, it is recommended to tank-mix this product with other compatible herbicides registered for use on non-crop areas. For example, certain diuron, bromacil, glyphosate and 2,4-D formulations are registered for such use. Observe the most restrictive label statements of the various tank mix products used.

USE PRECAUTIONS AND RESTRICTIONS: 1) Do not use this product for non-selective weed control on land to be cropped, near adjacent desirable trees, shrubs or plants, or in greenhouses, or injury may occur. 2) Do not use in areas accessible to livestock or allow livestock to graze treated weed foliage.

All applicable directions, restrictions and use precautions on Drexel SIMAZINE 90DF LABEL(s) are to be followed. This labeling contains supplemental instructions and restrictions for use of this product which may not appear on the Drexel SIMAZINE 90DF label. Follow the instructions carefully.
